MARINE RESOURCES**

Sept. 9th, 2020 UPDATE – TOURNAMENT DATES CHANGED FOR WEATHER TO 9/18-9/20

CCA-Maryland's Red Trout Tournament returns to the Middle Bay in September as a virtual event.

The 2020 Red Trout Tournament will run ~~September 11 through 13~~ Sept. 18-20th with a base of operations at the famous Buzz's Marina on St. Jeromes Creek at Ridge, Md. in St. Mary's County.

We hope to host a safety-conscious outdoor gathering at the ramp Friday and/or Saturday if conditions and restrictions allow. Nonetheless, this is an excellent time of year to fish this part of the Bay and the mouth of the Potomac. Winners will be determined on the total length of a stringer of up to five species including red drum, trout (spotted sea trout or weakfish), bluefish, flounder, white perch.

The Red Trout Tournament launched in 2013 out of Crisfield, Md to celebrate the diverse fishing opportunities around Tangier Sound and the Middle Bay. In 2017, CCA Maryland engaged CCA's National Habitat Program, the Building Conservation Trust(BCT), the Maryland Artificial Reef Initiative, Rinker Materials, and Engel Coolers, to build an artificial reef just southwest of Crisfield. The new reef consists of nearly 400 tons of concrete pipe. Now, the spot is full of new marine growth and has become another promising Tangier Sound fishing spot.

The 2020 Red Trout full schedule, entry details, and sponsorship opportunities are attached.

For more information and to register, visit ccamd.org/redtrout or send me an email at david@ccamd.org or check out our Red Trout Tournament Facebook Page—
